SKILLS

PROGRAMMING

Languages:

•Java •JavaScript •C

Web Development:

•Html •CSS •React.js •Next.js •Tailwind CSS

Database Management:

•MongoDB •Prisma DB

Version Control:

•Git

PROJECTS

SKABRI PORTFOLIO NEXT.JS | TAILWIND CSS | FRAMA MOTION | NODEMAILER

- Built my own portfolio web application using a stack that includes Next.js, Tailwind CSS for styling, Framer Motion for captivating animations, and Nodemailer to enable contact form submissions.

MOVIEMANIA NEXT.JS | TAILWIND CSS | PRISMA DB | MONGO DB|NEXTAUTH | REACT | TOAST

- Created a movie application that showcases the latest, upcoming, and top-rated films, enriched with a Next.js authentication system for user registration, secure sign-in, and logout functionalities. The application ensures password security, employs cookie management, and relies on Prisma DB as its database solution for seamless data management.
